

WWIC Trades Bursary **NEW**

The Windsor Women In Construction Committee is pleased to announce we will now offer a bursary to Women in the Trades.

What is WWiC? Windsor Women in Construction have a goal to support women in our local construction industry. By uniting our voices, knowledge, resources and passions, we hope to enable more women to pursue their career in the construction trades and industry, advance women in the construction field and open doors through education and networking.

Qualifications

- Must be enrolled in a Construction Trades program (proof of enrollment required)
- Must be a resident of Windsor, Essex, Chatham Kent or Sarnia Lambton (Post secondary institution does not need to be located in the this area)
- Must have OSSD or equivalent
- Must be 18 years of age or older
- **OR** Grade 12 female high school students must be registered in a College construction skilled trade related techniques program in the following school year (after graduation); or be a registered OYAP Apprentice and will be continuing with their apprenticeship after high school

How are these funds raised? We host an annual charity golf outing and the proceeds raised will go toward this bursary fund.

**RECIPIENTS WILL RECEIVE UP TO \$1000 FOR THEIR STUDIES.
PLEASE EMAIL TO CPRYMACK@WCA.ON.CA FOR AN APPLICATION.**
